Let's Try It.

A Hawaiian investigator has found that the leaves of the prickly pear cactus, cut into bits and thrown into the pools where mosquitoes have bred, effectually rids the water of the wrigglers.—Ex.

Let's all get out our carving knives and go to it. There may be more dogs than mosquitoes in Sonoma, but we doubt it. At any rate there are by far too many of both, especially the musical little blood suckers. It seems that they are around looking for gore, especially after nightfall, for about 13 months out of the year, if not oftener. The walls of our home were formerly white, but are now of a polka-dot design, the effects of repeated assaults upon that pestiferous insect that always sings a toast before he drinks of your blood. Know where you can get any cactus? Cut it up and throw it into the nearest pool or ditch Do it now and save your blood.

Approaching Nuptials

The news of the wedding of two popular young people of this valley next Sunday will be received by their many friends with pleasurable interest. The principals are P. Walter Poulson, the well-known junior member of the firm of F. C Poulson & Son, blacksmiths and horseshoers of this city, and Miss Louise C. Vincent of El Verano.

The ceremony will be performed by Rev. Father O'Brien in St. Francis' Church. Hearty congratulations and best wishes are cordially extended by a wide circle of friend of the contracting parties.

Catholic Services

Services will be held next Sunday at St. Francis' Church, Sonoma at 10:30. At St. Mary's Church, Glen Ellen at 8:45.

FATHER T. O'BRIEN, Pastor.

Experiment Station of Oregon Agricultural College is promoting the culture of cranberries in a section of Oregon which it is claimed is admirably adapted to that industry

Automobile Party

A very enjoyable automobile party made a tour of sections of Sonoma and Napa counties last Sunday and saw much fine country on their trip. They started at Sonoma and drove to Santa Rosa, Calistoga, Napa and way stations, thence back home to good old Sonoma, the best place they saw on their travels. The four friends who accepted Mr. Hill's kind invitation to ride with him in his new machine were: Robert Potter Hill, Jesse Burris, Robert Albion Poppe and Thomas Jefferson McGimsey.

Go on Lecture Tour

A movement is under way whereby several professors and specialists from the State University and Stanford University will tour the State and give lectures to farmers, orchardists, and vineyardists. The Southern Pacific Company has announced that they will furnish a free train to convey the speakers to any part of the State. An itinerary is now being prepared and it is expected that much good will result.

Class Rehearsal

The rehearsal given Thursday evening by the pupils who have been taking vocal lessons under Prof. J. W. Winsett was very entertaining and instructive and their efforts surpassed those who were present as an audience. Prof. Winsett has the class well in hand and the program rendered embraced all the rudimentary work in a way that reflected credit on his qualifications as an instructor. A class of over twenty-five pupils was organized for the second term.—Cordelia Star.

Jolly Hallowe'en Party

The lady teachers and girl pupils of the High School arranged a most delightful hollowe'en party in the high sceool building last Saturday evening. The rooms were uniquely and very appropriately decorated in honor of the event. The program arranged was simply great and heartily enjoyed by every one present. It was strictly a ladies event and proved most entertaining.

Happily Located

We are in receipt of an interesting letter from Rev. R. Lionel Rowe, former pastor of the M. E. Church here but now situated in Yuba City. Their many friends will be pleased to learn that Mr. and Mrs. Rowe are comfortably situated and are enjoying their new sphere of usefulness very much.

Hallowe'en Dance

The dance given in Union Hall last Saturday evening was a very enjoyable success in every way. Light refreshments were served. The music by the Pauli-Johnson orchestra was exceptionally fine.

Y. M. I. Ball

Sonoma Valley Council, Y. M. I. will give a ball in Union Hall on Wednesday evening, Nov. 25th. These annual Y. M. I. balls are always very enjoyable affairs and this one promises to be no exception to the rule.

Our Best Fertilizer

Intelligent and successful tillers of the soil the world over, have always recognized the folly of allowing their land to become impoverished and have been constant users of good fertilizers.

It will therefore be of interest to the farmers generally to know that the cheapest and best fertilizer in the world to day is nitrate of soda found in Chili, S. A It has been repeatedly proved that the use of from $2 to $3 worth of nitrate to the acre has produced an increase in the crops of from 70 per cent to 300 per cent according to the soil and the crop raised.

The greater yield that comes from the use of nitrate of soda, far exceeds the expense and labor of putting it on the land.

Mr. James A. Landsborough, a former well known citizen of this valley, is an expert on the use of nitrate. and will cheerfully and freely furnish any information desired on the subject He has about twenty tons of the nitrate on hand now and more shipments are being made each week.

For full particulars as to prices etc., call on or address James A Landsborough, importer and wholesale and retail dealer in nitrate of soda, Shellville, Sonoma Co., Cal.

A Sutter county bean grower has a crop of beans which he is now gathering with a ladder. It may be explained, however, that the beans are climbers and are planted amongst trees, up which they climb.

Duck and quail shooting better than ever in the vicinity of the Embarcadero Resort, "Tony's Place" on the banks of the beautiful Sonoma creek, just where the fresh and salt water meet. It is a paradise for fishermen as the fishing is of the best, both in salt and fresh water, striped bass are especially plentiful. Never before in the memory of the oldest inhabitant has there been so many fish in Sonoma creek. "Tony's Place" being in the center of the best fishing and hunting grounds is the most popular hotel in the lower part of the valley. Tony is an ideal caterer and announces that he keeps constantly on hand fresh fish, striped bass, chickens and ducks for luncheon. He also keeps guns and ammunition of all kinds, fishing tackle the clams for bate, for his patrons. Everybody stops at "Tony's Place" the Embarcadero Resort, only four miles from Sonoma and halt a mile from Shellville station. Go there for your outing. You'll be well fed and delightfully entertained.

A. E. Sondag, the Tailor,

A. E. Sondag, the tailor, formerly of Sonoma. was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of he trade. Give him a trial order for a good suit and you'll be satisfied. ctf

The Japs Delighted

A dispatch from Tokio, Japan, states:—"All Japan is delighted today at the outcome of the Presidential election in the United States, and the local papers in various cities issued extras announcing the victory of Judge Taft. The Japanese are particularly pleased at the indorsement of the administration of President Roosevelt, whom they look upon as their good friend." And no wonder when President Roosevelt in a late message to congress recommend that that body pass a law allowing the Japs to become naturalized citizens of U. S. It is also amusing to hear several local Republicans howling themselves hoarse against the Republican candidate for Supervisor because he hired a few Japs on his ranch, and then going over the polls and voting in favor of naturalizing these same Japs. As Judge Taft is pledged to carry out all of President Roosevelt's policies, our Republican friends will no doubt soon have the pleasure (?) of going to the polls and voting side by side with the little brown men from the Mikado's realm. Now, wouldn't that make you laugh? It would be a plain case of a man voting for something he didn't want.

The Election Results

The election in Sonoma Valley passed off very quietly last Tuesday, the day being an ideal one. The result was as usual disappointing to some and pleasing to others. A large share of the interest in the local battle of ballots centered in the fight for Supervisor. J. K. Bigelow, the Republican candidate, was defeated by Blair Hart (incumbent) by 141 votes in the seven precincts in the First Supervisorial District. Mr. Bigelow carried one precinct, Cotati, by 12 votes. M. Hart won out in the other six precincts by the following majorities: Sonoma 5; San Luis, 67; Glen Ellen, 34; Agua Caliente, 11; Penngrove, 64; Lakeville, 33. The following is the complete returns from Sonoma Precinct:—Taft, 148; Bryan, 62; Hisgen, 1; Debs, 5; Melvin, 126; Murasky, 84; Lewis, 4; McKinley, 142; W. K. Hays, 63; A. J. Galord, 4; Weske, 100; Juilliard, 109; J. J. Fitzgerald, 2; Jos. P. Berry, 108; Thos. C. Denny, 115; Emmet Seawell, 110; A. B. Ware, 77; W. W. Beck, 1; Frank Plag, 1; J. K. Bigelow, 106; Blair Hart, 111.

The General Result

The Republican Party again triumphed at the polls in these United States of America on Tuesday, Nov. 3. William H. Taft of Ohio and James S. Sherman of New York are President and Vice-President respectively by large majorities The House of Representatives and as usual the Senate is largely Republican, so the G. O. P. now has full sway and can if they choose legislate for the good of the people. A large chunk of that much-talked-of prosperity will of course be passed around and John D. Rockefeller and his class of "desirable citizens" of the trust variety might give the common people a share of what they don't want. We are living in hopes.

Election Notes.

The returns from one precinct, Timber Cove, are yet to be heard from, but this will not change the general result.

Wm. King, Democrat, deteated Isaac Button, Republican, for re-election for supervisor from the coast section by a majority of 151 votes.

H. W. Austin, Republican candidate won out for his fourth term for supervisor from the Santa Rosa district by a majority of 276 over his Democratic opponent, Wm. P. Barnes.

Judges Emmet Seawell and Thos. C. Denny were both re-elected superior judges by the following vote: Seawell (D), 5153, Denny (R.), 4968; Jos. P. Berry (R.), 3827; Ware (D.), 3458.

Judge H. R. Melvin gets a majority of 746 in this county over his opponent, Judge Murasky, for justice of the supreme court.

Congressman McKinlay's majority in the county, so far reported, is 2396. Taft over Bryan is 2037. Col. L. W. Juilliard (D.) defeated H. W. A. Weske (R.) by a majority of 85 votes for the assembly from this district.

W. B. Whitney (R.), from Healdsburg, defeated his Democratic opponent, D. W. Ravenscroft of Petaluma for the assembly from the fourteenth district by a majority of only 1258 and only one more precinct to hear from.

Judge J. D. White (D.) was re-elected superior judge of Mendocino county by a majority of about 1000, as was also Judge Gesbard of Napa.

The four superior judges elected in San Francisco are: Hunt, Van Nostrand, Dunne and Sturtevant Judge Carroll Cook was defeated by a small majority.

As far as the returns have been reported the on constitutional amendments and the direct primary amendment carried by a large majority, but the capital removal bill is believed to be hopelessly lost. The other amendments are in doubt.

Mrs. R. P. Hill Honored.

Mrs. Robert Potter Hill, past president of the California State Federation of Woman's Clubs, spent a few days last week in Reno, Nevada. She had been invited by the clubs of that state to assist in forming a State Federation, Nevada being the last state to form such an organization. Mrs. Hil was elaborately entertained during her stay in Reno and enjoyed herself immensely. The federation was formed with a good energetic membership and promises to achieve much good for the sage brush state. Mrs. Hill enjoys the distinction of being elected an honorary member of the new organization. Mrs. Sam Davis, wife of the noted humorist, was chosen the first President of the Nevada Federation.

Money for the Mission.

The concert for the benefit of the Mission promises to be well attended, as aside from the cause many will be attracted by the chance to hear the college boys from the State University sing and play.

The Native Sons who are planning to raise this repair fund will be assisted by the Woman's Club and it promises to be a success in every way.

Acknowledgment

We, the members of the Associated Student Body of the Sonoma Valley Union High School, desire to express through your columns, our grateful acknowledgement of the beautiful and appropriate gift from the members of our alumni.

EMILIE R. POPPE, Secretary.

Grand Opening

Don't fail to visit La Boheme, El Verano, Saturday evening, Nov. 7th to hear Butterworth and Fitzgerald of the Wigwam Theatre, San Francisco. Also see Amelita, the noted dancer who will aleo perform. Admission free. You're invited.

Uses of Salt.

Salt can almost be regarded as a panacea, so many and varied are its uses.

We are told that it cleanses the palate and furred tongue, and a gargle of salt and water is often efficacious.

A pinch of salt and water on the tongue, followed ten minutes afterward by a drink of cold water often cures a sick headache. It hardens gums, makes teeth white and sweetens the breath.

Bad colds, hay fever and kindred affections may be much relieved by using fine dry salt like snuff.

Dyspepsia, heartburn and indigestion are relieved by a cup of hot water in which a small spoonful of salt has been melted.

Salt and water will sometimes revive an unconscious person when hurt if brandy or other remedies are not at hand. Hemorrhage from tooth pulling is stopped by filling the mouth with salt and water.

Weak and tired eyes are refreshed by bathing with warm water and salt.

Fine Concert Coming

Arrangements have been made to have the Glee Club from the University of California give a concert in Union Hall on the evening of Nov. 13th for the purpose of raising funds to be expended in an effort to save our historic mission from total destruction before our slow moving state authorities get ready to restore and preserve the old buildings that are so interesting and attractive to the strangers visiting our valley.

The Glee Club is composed of sixteen college boys, and the program will consist of songs and musical selections rendered with vim and life for which student singing is noted. It will no doubt prove most enjoyable to those who attend and will conclude with a dance.

Baby Clothes

Just received a fine assortment of ready-to-wear baby clothes,—coats, caps, dresses, shoes stockings etc.,—all the latest styles at Valente's Dry Goods Store on First St. West. Mamas are invited to call and inspect this splendid new line.

Musical Event Postponed

Owing to the many other attractions in this city last Friday and Saturday evening, the free lecture and free vocal lesson to be given by Prof. J. W. Winsett, the noted vocalist was postponed until to-morrow night, in the Congregational Church. You will miss a treat if you fail to hear this talented singer. Admission free. Hear him tonight at the Congregational Church.

Warrant Out For Arrest

A warrant has been obtained by W. Y. Landrum, in Justice A. J. Atchinson's court for the arrest of Dan McGovern. The man is accused of having gotten away with forty dollars belonging to Landrum while acting as bailee for the latter.

Resigned Their Positions

Miss Sophie Weber and Miss Florence Gowans resigned their positions as sales ladies in the Racket Store and will take a needed rest. The young ladies are very popular and will be greatly missed by the patrons of the store.

How to Treat a Sprain

Sprains, swellings and lameness are promptly relieved by Chamberlain's Liniment. This liniment reduces inflammation and soreness so that a sprain may be cured in about one third the time required by the usual treatment. 25 and 50 cent sizes for sale by L. S. Simmons

Will Marry Soon.

Announcement is made that Miss Catherine Toroni and Mr. A. Schotchbolini will be married at Santa Rosa tomorrow (Saturday.) Both of the young folks have many friends in this vicinity who will wish them a happy and prosperous life.

DeWitt's Carbolized Witch Hazel Salve has many imitators. There is one original, and the name DeWitt is on every box. Best salve for burns, scratches and hurts. It is especially good for piles. Sold by all druggists.

Trustees Meeting

The regular monthly meeting of the Board of Trustees of the City of Sonoma was held in the City Hall last Wednesday evening. All members were present. The following bills were passed for payment:—Mrs. Emparan, water, $15; Sonoma Valley Co., lights, $36.40; C. Shearer, services, $1.50; J. H. Albertson, salary, $15; H. Castagnasso, labor, $40.30; R Quartaroli, labor, $29; A. W. Adler, materials, etc., $80. 50; E. R. Goepiert, labor, $10; H. H. Granice, printing, $17.04 Fred Leidecker of the Cozy Corner was granted a license to open a saloon in the Robin-Kiser building on Napa St. near the City Hotel. Trustee Wagnon was the only negative vote cast on the question of granting the license.

The clerk was instructed to advertise for bids for the building of the new stone bridge across the creek near the Bulotti home on Napa St. Four carloads of crushed rock to be put on the streets of this city, were ordered from the Foster quarries near Fairville.

A Handsome Present

Mr. Schuler of Petaluma, a prominent resident of that city, came to Santa Rosa Thursday morning to make Judge Emmet Sewell a present of a handsome meerschaum pipe. The pipe is what is generally known as a "Dutch pipe," one of the large pipes which the Germans use, and which John Plover, whose ancestors were not German, called a "long distance" pipe. It is one of those affairs where the bowl of the pipe sets on the floor and through the long stem the smoker draws solace from the weed. The pipe was promised Judge Seawell in the event of his re-election.

Mr. Schler also promised the candidate for the judgeship a meerschaum cigar holder who secured the highest number of votes. This goes to Judge Thomas C. Denny, and he is believed to be enjoying it in Petaluma.—Republican.

Every case of backache, weak back, bladder inflammation and rheumatic pains is dangerous if neglected, for such troubles are nearly always due to weak dideys, Take DeWitt's Kidney and Bladder Pills. They are antiseptic and soothe quickly. Insist upon DeWitt's Kidney and Bladder Pills. Regular size 50c. Sold here by all druggists.

New Electric Road.

Santa Rosa and Sonoma county are on the verge of one of the greatest developments of the age, and it is more than probable that much capital will be poured into projects in this section within the next few years. One of the latest of these projects is an electric railroad, with its eastern terminus at Lake Tahoe. The railroad has many surveys made over the proposed route, and will float bonds for $12,000,000 for the construction and equipment of the road. The following regarding the proposed new road will be read with great interest here;

"An interurban road system, which will have its terminus at San Francisco, and which will run from a point near Tiburon, through Marin and Sonoma counties to Valejo, Napa, Sacramento and thence to Lake Tahoe, with a branch up the Santa Rosa Valley to Petaluma, Santa Rosa and Healdsburg, is being projected by a coterie of prominent capitalists in Southern California and will have the backing of powerful interests in New York.

The project already has progressed far beyond the experimental stage. Complete surveys have been made, valuable rights of way obtained, all the details of construction have been planned, and the floating of a $12,000,000 bond issue to provide for actual building is shortly to be consummated here and in New York. Six million dollars' worth of the bonds are to subscribed here and six million will be taken by interests of the road in New York.

The railroad is to be operated by electricity developed at a big power plant to be established on one of the mountain rivers in the Sierra along the proposed line of the system and by a system of long distance transmission similar to that of the Bay Counties Power Company. the current will be fed to all the branches of the new road.

Eat all the good food you like. Quit dieting. You don't have to diet to cure dyspepsia. In fact you can not cure dyspepsia or indigestion that way, but rather you must add strength to the weak stomach by taking something that will digest the food which the stomach can not digest. Kodol is the only thing known today that will do this, foa Kodol is made of natural digestive juices found in a healthy stomach, and it digests all food completely. Kodol is pleasant to take, and is guaranteed to give relief in any case of stomach. Sold by all druggists.

BUSYBODIES VS. TRUTH.

Here Are The Facts—Judge For Yourself.

Busybodies who see in success only falsity, who, without making an effort to inform themselves, blatantly cry offense against honesty and truth—seem to forget that a slur against Dr. Pierce's well-known non-alcoholic family remedies is a slur against the intelligence of thousands of clear-thinking American women who know they have been helped and cured by Dr. Pierce's Favorite Prescription. It is not a "patent medicine" in any sense—it is simply the favorite remedy which Dr. Pierce used in an extended practice for the treatment of the diseases peculiar to women.

Truth and Influence. A name for honesty and square dealing is better than great riches. Fraud is a bubble that soon bursts. Dr. R. V. Pierce has always been known to speak the truth—his famous medicines are founded on the rock of public approval and have thousands of truthful testimonials as to their ability to cure diseases for which they are recommended.

True Speaking. No man ever lost a prospective customer through telling the truth. In the long run Dr. Pierce believes the truth will prevail and he is therefore not afraid to make public his formula.

Valuable Trade Secrets. The ingredients of Doctor Pierce's Favorite Prescription are given to the public. He vindicates the excellence and harmless character of his "Prescription" by letting ailing women know just what they are taking when they use this reliable tonic and nervine for the diseases and illnesses peculiarly feminine. These ingredients are combined in just the right proportion to make an efficient remedy, without the use of a particle of alcohol, and they are as follows: Golden Seal root, Black Cohosh root, Unicorn root, Blue Cohosh root, Lady's Slipper root, with chemically pure glycerine of proper strength for extracting and preserving the active medicinal principles residing in the above native roots.

No Alcohol Used. Dr. Pierce never believed it necessary or advisable to use alcohol in the preparation of either his "Favorite Prescription" for weak women, or his "Golden Medical Discovery," the well-known alterative tonic, which is so largely used as a remedy for indigestion, torpid liver, bad blood and kindred ailments. Over forty years ago, he discovered that chemically pure glycerine is a far better solvent of most of the active principles residing in our native medicinal plants when used at a proper and sustained temperature than is alcohol; and, furthermore, he found that a glyceric extract kept much better than an alcoholic one, and that the glycerine possessed intrinsic remedial value, being demulcent, nutritive and an effective anti-ferment. Although costing somewhat more, Dr. Pierce predicts that glyceric medicinal extracts will, in the not distant future, largely replace alcoholic ones so generally prescribed by physicians and put out by proprietary or "patent medicine" manufacturers, as being more efficient and entirely free from the serious objection of making inebriates when used in lingering or chronic cases, where a somewhat protracted use of medicine is necessary no matter how good or well adapted to the case it may be in order to obtain permanent results.

Dr. Pierce's Pleasant Pellets. When the "Favorite Prescription" is not quite laxative enough, as in obstinate constipation, the little, pleasant, sugar-coated "Pellets" should be taken to aid the "Prescription." One or two for a laxative, two to four for a cathartic. They alone have been known to cure many bad cases of stomach trouble, dyspepsia and indigestion. They act on the liver and regulate the bowels. Put up in glass vials, corked, therefore, always fresh and reliable.

How to Cure a Cold

Be as careful as you can you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of the grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale by L. S. Simmons.

The car shoftage which prevailed for a long time in the Pajaro valley has been overcome, relief being secured from the receipt of 50 cars in one day.

Save This, Anyway

Here is a simple home made mixture as given by an eminent authority on Kidney diseases, who makes the statement that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night, painful and discolored urination, are readily overcome. Here is a recipe. Try it:

Fluid Extract Dandelion, one-half ounce; Compound Kargon one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well-known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which causes affections. Try it if you aren't well. Save the prescription.

The county supervisors of Monterey have passed an ordinance making it a misdemeanor for farmers to neglect or refuse to poison squirrel on their property.

Colds and Croup in Children

"My little girl is subject to colds," says Mrs. Wm. H. Serig, No. 41 Fifth St., Wheeling, W. Va. "Last winter she had a severe spell and a terrible cough, but I cured her with Chamberlain's Cough Remedy without the aid of a doctor, and my little boy has been prevented many times from having the croup by the timely use of this syrup. This remedy is for sale by L. S. Simmons.

A Brief Elopement

[Copyright, 1908, by T. C. McClure.]

None of the boy pupils in attendance at the Union school in Medina that particular winter that Professor Wellman was principal had the slightest idea that he had any romance in his soul. He hunted for boys to lick; he gave out double lessons; he scared little girls half to death with his scowls.

And yet the professor was bubbling over with soft heartedness and only waited an opportunity to develop it. The opportunity came two months after he did, and he was embracing it at the same time that we were calling him a stony hearted wretch and predicting that he would never find a woman to marry him. The professor, being a bachelor, went to board in the family of Deacon Hardman. The deacon had been a widower for five years and had at last at the age of forty-five married a girl of twenty-three. He was accounted a fatherly man and a good man, and it soon became common gossip that his young wife was making things bad for him. In the schoolmaster she had some one to tell her troubles to. What he didn't see as an inmate of the house she would tell him. When she became confidential he became her champion. She told him of the deacon slapping her mouth, and he shuddered. She told him of being choked, and he bubbled. She told him of being dragged around by the hair of the head and sat on, and he wanted to take the husband's life.

According to the young wife, the deacon was sly. He would call her his birdie at the table and half an hour later chastise her and squeeze her throat in the bedroom. He would sing hymns with her in the sitting room and threaten to murder her down cellar. The professor saw nothing, but heard all. His pity, indignation, sympathy and several other sentiments were aroused.

One day the deacon had to go over to Berryville on business that would detain him two days. He went by train, leaving the old horse and buggy at home. That night his wife and the schoolmaster eloped. Their trunks were packed and tied on to the buggy, and they set out to drive a distance of twenty-five miles to the train.

They had scarcely got clear of the town when the old horse, which had no sentiment in his soul and was not a bit interested in elopements, fell down and broke the shaft. Up to this moment the wife had been as soft as butter and as tender as chicken, but now she suddenly changed and called the professor names. She called him a doughhead and a fool and a lot of other things that astonished him, but by and by he repaired the broken shaft and a new start was made.

A mile farther on it began to rain. It was a cold rain. It was a rain that meant business. It soaked them to the skin in ten minutes. Then the deacon's birdie swore. She swore cheerfully and freely. The astonished professor chided her, and she slapped his mouth. He expressed his belief that she wasn't the martyr he took her for, and she slapped it again.

By and by the rain held up. It will do that sometimes, no matter whether you are eloping or out on the road buying hogs. Then a new start was made. The professor was between two minds. He didn't know whether to keep on and save the woman from further chokings or go back and lick the boys harder than ever, and as a consequence he drove into a mudhole, the whole outfit sticking fast. Thinking he had arrived at the end of his journey, the old horse lay down and allowed the buggy to settle to the hubs. The woman swore some more. She also clawed the professor's face.

It took an hour to make the horse understand that the journey had just begun and to extricate the vehicle, and then a new start was made for an island in the Pacific. Sentiment had chilled, but not killed. They had made another half mile and were talking about the way the husband had menaced her with the crowbar when both front wheels of the weary buggy went down in unison, the old horse staggered and lurched around, and finally the outfit rolled down the bank into a creek. The woman was the first out. She welcomed the professor with language and kicks. She made a new attack on him with fists and fingers. In fact, he had to haul off and hit her in the nose in self defense. The professor crawled up the bank and started back for the village. If any observations followed him he gave them no heed. He knew that he was followed for some distance by a woman with a club, but in the darkness he had all the advantage.

On Saturday and Sunday we saw the professor about. He looked like a man that had loved and lost. The deacon got home Sunday night to find that his wife had gone, and certain folks said that they hadn't seen him look so relieved since his marriage. He was even jocular and jolly in his talk. On Monday morning we were in school at the usual hour. So was the professor. That something was about to happen we could all see. Something did. He began with the biggest boy in school and went down to the smallest girl and administered to each one a thorough tanning.

Then he remarked that school was dismissed pending the arrival of a new teacher, and he headed the procession as we all walked out. We were glad at the time, but conscience stricken later on. We had sized him up as possessing a heart of stone, whereas he was simply bubbling over with tenderness for his fellow men. The deacon's wife never returned. She continued on and eloped by herself. M. QUAD.

Occultism.

It is noteworthy that supernaturalism prevailed just as strongly at the other side of the globe among the aborigines of the new world. The coming of the Spaniards had been prophesied to the Mexicans by their caciques, and the prophecies were sung amid loud lamentations at their festivals.—London Onlooker.

Wise Talks by the Office Boy.

I guess honesty wouldn't be such a valuable trait if it wasn't for its scarcity. Don't you know there are an awful lot of people in the world working the others for chumps and making it pay.

Gee! If we wanted to fool "all the people some of the time," and sacrifice our good name for the sake of a few dollars, I guess we could do it. It would be easy to mark our dollar shirts $1.50 give ¼ off and get $1.12½ for them. We could mark our $20 suits $30, give ¼ off and get $22.50. We

could go down the line and make fully 10 per cent more on our merchandise and you might not find it out, because "you can fool part of the people all of the time."

But that is not straight business and we believe we have the confidence of the people and we don't intend to lose it.

The boss showed me how I could tell our coats by the nice snug way the collars fit at the back of the neck, and the close fitting lapels and the good fitting vest. Lots of suits are spoiled by a poor fitting vest, but not at our store.
